

All Teams and Spectators need to enter and exit from door 6N.
Door 6N is through the stadium entrance and then left to go to Door 6N. There will be signs to point everyone in the right direction.

Due to construction, we ask that everyone parks in the east parking lot for the game tomorrow, walks through the stadium, and enters/exits the building from door 6N (diagram below). Please pass this information along to your bus driver, coaches, and fans.
